The final paper of the three was "Non-verbal Reasoning". This was my favourite because, to this day, I

love puzzles and these felt little more than that. I can remember my first priority being to try to leave the class first, which seemed far more important than using any remaining time to check my answers, but I still managed to scrape through somehow.

Verbal aggressiveness in communication has been studied to examine the underlying message of aggressive behavior and to gain control over occurrences. Infante and Wigley (1986) defined verbal aggressiveness as "a personality trait that predisposes persons to attack the self-concepts of other people instead of, or in addition to, their positions on topics of communication".
