Saffron Revolution is a term used to describe a series of economic and political protests and demonstrations that took place during August, September and October 2007 in Myanmar. The protests were triggered by the decision of the national military government to remove subsidies on the sales prices of fuel.

### **Saffron Revolution - Wikipedia**

The Great Lakes form the largest surface freshwater system on Earth. The U.S. and Canada work together to restore and protect the environment in the Great Lakes Basin. Top issues include contaminated sediments, water quality and invasive species.
