collection of essays, reviews, articles, and letters which he wrote between the ages of seventeen and forty-six (when he died) is arranged in chronological order. The four volumes provide at

The Collected Essays, Journalism and Letters of George

As my interest in geography grew, I amassed a collection of atlases and other books related to geography. My other favorite was a world factbook that had a small dossier on each country. I remember discovering, much to my surprise, that various country borders shown in the 1998 factbook were different from the ones in my 1987 atlas.
