Colonic Irrigations: A Review of the Historical

The Institute for Historical Review (IHR), founded in 1978, is an American organization best known for publishing articles and books promoting Holocaust denial, a practice which attracted notoriety to the IHR. It is considered by many scholars to be central to the international Holocaust denial movement. IHR is widely regarded as antisemitic and as having links to neo-Nazi organizations.

Historical materialism is the methodological approach of Marxist historiography that focuses on human societies and their development over time, claiming that they follow a number of observable tendencies. This was first articulated by Karl Marx (1818â€”1883) as the materialist conception of history. It is principally a theory of history according to which the material conditions of a society's ...
