key success factors are necessary conditions for superior performance. Compensatory key success factors open up for choices of areas of excellence and hence for the formation of strategic groups. 6. Perceived key success factors can be measured by semi-structured interviews with business decision-makers which follow a laddering procedure.

The Concept of Key Success Factors: Theory and Method

Describing Your Accomplishments Accomplishments are an important foundation for communicating what you have done, why you fit, and what you offer an organization. Accomplishments indicate specifically what you have achieved during your career. For example: " A task you performed on a regular basis. " A project you managed.
