2. The origins of Native Americans and their food. It is commonly believed that the first Native Americans crossed from the Old World into the New World across the Bering Land Bridge that joined Siberia to Alaska at least 15,000 years ago , but disappeared shortly thereafter. Although the passage of time renders it impossible to know for certain how, when, or why the Asian ancestors of the ...

Trickle-down economics, also called trickle-down theory, refers to the economic proposition that taxes on

businesses and the wealthy in society should be reduced as a means to stimulate business investment in the short term and benefit society at large in the long term. In recent history, the term has been used by critics of supply-side economic policies, such as "Reaganomics."

Background. Since the Supreme Court handed down its 1973 decisions in *Roe v. Wade* and *Doe v. Bolton*, states have constructed a lattice work of abortion law, codifying, regulating and limiting whether, when and under what circumstances a woman may obtain an abortion. The following table highlights the major provisions of these state laws.
