Alien Mating Frenzy is an exciting, easy to follow, fast-paced, well-crafted, near-perfect combination of space opera, alien invasion, and sexy romance. The narrative is beautifully written in the third person with multiple perspectives, but the primary points of view are from the two protagonists, Syri Moro and Rayden Oshier.

I have confronted with this program of abduction, forced breeding, and the abduction of fetises because I was abducted many times. I believe that this program of obvious hybridization of two (or more) different genetic species has a purpose that is not obvious, and indeed the "œaliens" use all forms of deception and mind washing to keep this reason from being known.
