I was among the first 50 students to start the Amazon Sharks course back in January 2018. When Andrew first announced the course release date in late 2017, I could barely wait to get going but it was certainly worth it to get the best coaching out there, especially since most other courses are based on the US Amazon platform.

Recently, I heard a great quote: "Amazon.com is teaching people to buy a lot of little things." This is a great statement because it emphasizes how we're witnessing the death throes of the traditional eBook. With Kindle books, Amazon.com provides people with instant access to downloadable information. So it's getting harder and harder to charge premium prices for eBooks.

How to Make Money with Amazon Kindle Books
