### **Interest Groups in American Politics**

The modern American political spectrum and the usage of the terms "left" "right politics", "liberalism", and "conservatism" in the United States differs from that of the rest of the world. According to American historian Arthur Schlesinger, Jr. (writing in 1956), "Liberalism in the American usage has little in common with the word as used in the politics of any European country, save possibly ...

The American University was established in the District of Columbia by an Act of Congress on December 5, 1892, primarily due to the efforts of Methodist bishop John Fletcher Hurst, who aimed to create an institution that could train future public servants. Hurst also chose the site of the university, which at the time was the rural periphery of the District.

This research was generously funded by the Knight Foundation. Executive Summary As the discussion surrounding misinformation and polarization takes center stage, one space that has been largely overlooked is the Chinese media sphere within the United States, where questionable content has garnered a loyal following among Chinese-speaking immigrants.

Nursing is the largest medical profession in the world with nearly 4 million nurses in the United States alone. As such, nurses have the potential to profoundly influence policy and politics on a global scale. In fact, it is the moral and professional obligation of nurses to be engaged in legislation that impacts their patients.
