**American ruins : ghosts on the landscape (Book, 2001**

It's hard to write a review of a book like this. It's like trying to explain to your children why you love them. For like a child in its parents' eyes, American Ruins is far more than it appears. On the surface, it is a very well designed and exquisitely photographed essay on the vanishing farmsteads of the northern plains states in the USA.

**American Ruins: Ghosts on the Landscape -- book review**

"American Ruins" is the first photography book to document historic ruins throughout the United States. It presents a stunning visual record of ruins ranging from ancient Native American dwellings in the Southwest to the remains of Gilded Age mansions on the East Coast and a
