Amusement Park Physics with a NASA Twist

Amusement Park Physics with a NASA Twist

Amusement Park Physics is an educational approach to teaching fundamental physics concepts using an amusement park as a laboratory. Many variations of such activities have been conducted across the country over the last two decades. The USU Physics Day at Lagoon is the first such activity in the Intermountain Region.

AMUSEMENT PARK PHYSICS - USU Physics Day at Lagoon

PDF | Amusement park physics is a popular way to reinforce physics concepts and to motivate physics learners.

(PDF) An amusement park physics competition

then attend Amusement Park Physics to apply them. This initial investigation could be done as a class or individually as a project. The Ministry of Education has identified some curricular competencies that students are expected to meet. All of the below mentioned competencies could be done at Amusement Park Physics.
