

angel financing how to pdf

An angel investor (also known as a business angel, informal investor, angel funder, private investor, or seed investor) is an affluent individual who provides capital for a business start-up, usually in exchange for convertible debt or ownership equity. A small but increasing number of angel investors invest online through equity crowdfunding or organize themselves into angel groups or angel ...

Understanding Valuation: A Venture Investorâ€™s Perspective

A series A round is the name typically given to a company's first significant round of venture capital financing. The name refers to the class of preferred stock sold to investors in exchange for their investment. It is usually the first series of stock after the common stock and common stock options issued to company founders, employees, friends and family and angel investors

(For more on working with startup lawyers, see Mark Suster's classic post, [How To Work With Lawyers At A Startup](#).) For a traditional VC financing round structured as a sale of preferred stock, the best resources I can recommend are the Term Sheet Series by Brad Feld and Jason Mendelson and Startup Company Lawyer by Yokum Taku. Every installment or post in those series is a good read, and I ...
