The following is a list of people who are considered a "father" or "mother" (or "founding father" or "founding mother") of a scientific field. Such people are generally regarded to have made the first significant contributions to and/or delineation of that field; they may also be seen as "a" rather than "the" father or mother of the field. Debate over who merits the title can be perennial.

Heroic men, heroic women, and animals . See also the section The courage of the bullfighters, which includes material on the courage of the rock climbers and mountaineers, including the remarkable achievements of the free climber Alex Honnold.. This is a very varied section, like some other sections of the page. So much writing in support of bullfighting is suffocating in its exclusion of the ...
