General principles RePEc (Research Papers in Economics) is a collaborative effort of hundreds of volunteers in 99 countries to enhance the dissemination of research in Economics and related sciences. The heart of the project is a decentralized bibliographic database of working papers, journal articles, books, books chapters and software components, all maintained by volunteers.

RePEc: Research Papers in Economics

The Liblicense Model License, designed to provide a template for libraries negotiating to license digital content, has been updated. The 2014 revision is available on this site on the Model Licenses page.. Increasingly, university and research libraries are being inundated with information that has been created in digital format and transmitted and accessed via computers.
