A bibliography, by definition, is the detailed listing of the books, journals, magazines, or online sources that an author has used in researching and writing their work.

How to Write a Bibliography - Examples in MLA Style - A

How to Do Footnotes. Footnotes are powerful tools, they are used to provide ancillary information and also citations in the footer of a page. Most often, editors of books, journals and other media will ask that parenthetical information be included in footnotes as a way to control the prose of the document.
