the test questions may deliberately have planted a trap for you – remember that they don't exactly have your best interests at heart. Strategy 4: Using Kitchen Logic When a question asks the test taker to identify a main idea, you should first focus on the opening and ending sentences of the passage and each individual paragraph.

A topic that is hotly debated among test taking circles is whether or not you should read the reading passages before you read the question. One theory is that you can save time if you read the questions first and then go back and read over the passage. Another theory is that you should read the passage first and then go into the questions.
