Corporate social responsibility (CSR, also called corporate sustainability, sustainable business, corporate conscience, corporate citizenship or responsible business) is a type of international private business self-regulation. While once it was possible to describe CSR as an internal organisational policy or a corporate ethic strategy, that time has passed as various international laws have ...

Fashion is perhaps the very first expression of success of a free nation. Fashion is a celebration and a joy. It is an expression that can manifest itself in different ways for different people and these ways are forever evolving.

Aditya Birla Fashion and Retail Ltd (Formerly known as

Transport or transportation is the movement of humans, animals and goods from one location to another. In other words the action of transportation is defined as a particular movement of an organism or thing from a point A to the Point B. Modes of transport include air, land (rail and road), water, cable, pipeline and space. The field can be divided into infrastructure, vehicles and operations.
